TITLE OF DOCUMENT:	Unilateral Agreement and Declaration for Conditional Zoning
PARTY TO DOCUMENT:	HAWAII MGCW LLC
TAX MAP KEY NO.:	(1) 8-4-002: 055

UNILATERAL AGREEMENT AND DECLARATION FOR CONDITIONAL ZONING

THIS INDENTURE (hereinafter referred to as this "Unilateral Agreement" or this "Declaration"), made this 23rd day of May, 2014, by HAWAII MGCW LLC, a Hawaii limited liability company, whose address is 770 Aulua Road, Kailua, Hawaii 96734 (hereinafter referred to as the "Declarant"),

WITNESSETH:

WHEREAS, the Declarant is the owner in fee simple of that certain parcel of land situated in Makaha, City and County of Honolulu, State of Hawaii, consisting of approximately 87.44 acres, described as Tax Map Key No. (1) 8-4-002: 055, and more particularly described in Exhibit A attached hereto and made a part hereof (the "Land"), and desires to make the Land subject to this Unilateral Agreement; and

WHEREAS, the Declarant plans to develop a golf course on the Land (the "Project"); and

WHEREAS, the City Council (the "Council") of the City and County of Honolulu (the "City"), pursuant to the provisions of the Land Use Ordinance ("LUO"), Revised Ordinances of Honolulu 1990 ("ROH") Section 21-2.80, as amended, relating to conditional zoning, is considering a change in zoning under the LUO of a portion of the Land from the AG-2 General Agricultural District to the P-2 General Preservation District (the "zone change"); and

WHEREAS, the portion of the Land subject to the zone change, consisting of approximately 28.3 acres, is depicted as the parallel-lined area designated as "Project Site" on the portion of Zoning Map No. 15 attached hereto as Exhibit B and made a part hereof; and

WHEREAS, a public hearing regarding the change in zoning, Bill 32 (2014), was held by the Council on May 7, 2014; and

WHEREAS, the Council recommended by its Zoning and Planning Committee Report No. 167 that the said zone change be approved, subject to the following conditions contained in this Declaration to be made pursuant to the provisions of ROH Section 21-2.80, as amended, relating to conditional zoning, and to become effective on the effective date of the zoning ordinance approving the change of zoning (the "Rezoning Ordinance");

NOW THEREFORE, the Declarant hereby covenants and declares as follows:

1. Transportation. Prior to issuance of any grading, demolition, and/or building permit, whichever comes first, for the Project site or any portion of Tax Map Key 8-4-002: 055, the Declarant shall prepare a Construction Management Plan (CMP) and submit it to the DPP for review and approval. The CMP shall identify the type, frequency, and routing of heavy trucks and construction-related vehicles. Every effort shall be made to minimize impacts from these vehicles and related construction activities. The CMP shall include provisions to limit vehicular activity to timeframes outside of peak traffic periods, utilizing alternate routes for heavy trucks, staging locations for construction workers and vehicles, and other mitigation measures that may impact traffic. The Declarant shall document the condition of roadways in the immediate vicinity of the Project site prior to the commencement of construction activities and provide remedial measures, as necessary, such as restriping, road resurfacing, and/or reconstruction if the condition of these roadways has deteriorated due to the Project's construction activity.
2. Compliance With Other Governmental Requirements. The Declarant acknowledges that approval of the zone change does not constitute compliance with other LUO or other governmental requirements. They are subject to separate review and approval. The Declarant shall be responsible for ensuring that the final plans for the Project comply with all applicable LUO and other governmental provisions and requirements.
3. Annual Reports. On an annual basis, the Declarant shall submit a written status report to the DPP documenting its satisfaction of and/or describing its progress toward complying

with each condition of approval for this zone change. The status report shall be submitted to the DPP by December 31 of each year until such time as the DPP has determined that all conditions of approval have been satisfied.

4. Noncompliance or Failure to Fulfill Any Condition. In the event of noncompliance with any of the conditions set forth herein, the Director of DPP shall inform the Council and may seek civil enforcement or take appropriate action to terminate or stop the Project until applicable conditions are met, including but not limited to revoking any permits issued under this zoning and withholding issuance of other permits related to the Project. Noncompliance also may be grounds for the enactment of ordinances making further zone changes, including revocation of the underlying zoning, upon initiation by the proper parties in accordance with the Revised City Charter.

NOW, THEREFORE, the Declarant hereby makes the following additional Declarations:

As used herein, references to a specific City department or agency shall be deemed to include a reference to any successor department or agency.

That the conditions imposed herein are reasonably conceived to fulfill public service demands created by the requested change in zoning and are rationally related to the objective of preserving the public health, safety and general welfare and the further implementation of the General Plan of the City and County of Honolulu.

That the development of the Land shall conform to the aforesaid conditions with the understanding that, at the request of the Declarant and upon the satisfaction of the conditions set forth in this Unilateral Agreement, the Department of Planning and Permitting may fully or partially release, as applicable, any of the foregoing conditions that have been fulfilled.

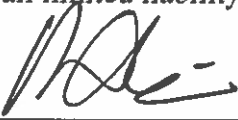

That if there are any conflicts between this Unilateral Agreement and any previous unilateral agreement(s) applicable to the Land, the terms and conditions of this Unilateral Agreement shall apply.

AND IT IS EXPRESSLY UNDERSTOOD AND AGREED that the conditions imposed in this Declaration shall run with the Land and shall bind and constitute notice to all the parties hereto and subsequent lessees, grantees, assignees, mortgagees, lienors, successors, and any other persons who have or claim to have an interest in the Land, and the City and County of Honolulu shall have the right to enforce this Declaration by rezoning, appropriate action at law or suit in equity against all such persons, provided that the Declarant or its successors and assigns may file a petition with the Department of Planning and Permitting for amendment or removal of any conditions or termination of this Declaration, such petition to be processed in the same manner as petitions for zone changes.

IN WITNESS WHEREOF, the parties hereto have executed this Unilateral Agreement and Declaration for Conditional Zoning on the day and year first above written.
